

**The Divine Spirit World
film - table 5 – voices**

<u>Level</u>	<u>Larynx</u>	<u>Tone</u>	<u>Entire spirit</u>	<u>WEOR</u>
SPIRIT	Spiritual arynx (a spart of the spiritual body)	- Spiritual TONE	Spirit as a whole	Soul of WEOR
Transition spirit><matery	Condensing through ODIC currents	Condensation of ONLY THE SOUNDS By odic currents	- ODIC currents for posession of the medium's body	(astral journey)
AIR = carrier for material sounds	Materialized larynx creates audible sounds: a) only larynx is materialized b) entire body of spirit is materialized	„direct voices“ visible through little odic cloud	Spirit enters and uses body of trance medium and produces sounds with it	WEOR makes astral journey and while re- entering his own body maintaining full consciousness about his experiences he reports about them
